RE: 2004-0453, 816 Tamarack Lane (213-30-030)

I am writing this letter to voice my concern on the cyclone fence at 816 Tamarack Lane. I own the adjoining property on 1105 Myrtle Drive and have lived in the neighborhood for over ten years. I have watched as neighbors have improved their properties and have installed a variety of fences. This is the only fence I have seen that truly degrades the neighborhood. It gives the impression of a high crime area and is imposing on the sidewalk. Many fences in the area have been offset from the sidewalk and covered with landscaping. After the cyclone fence was installed, a decorative fence between the two properties was removed and replaced with a six foot wood fence enclosing the area around the house facing Myrtle and is also right up to the sidewalk.

I will be out of town due to work and will not be able to attend the hearing. Thank you for your consideration.

Sincerely,

Susan Hynnes
